ALL IRRIGATION CONTRACTORS

As of July 11, 2011, irrigation permits will be required by the City of Niceville for all lawn sprinkler systems and new water pumps/wells being installed in the city limits. Inspections will be required by the Building Department and the Water & Sewer Department for proper installation of lawn sprinkler systems, water pumps/wells and backflow protection. The cost of the permit will be \$25.00.

For further questions please don't hesitate to call the Building Official at 729-4056 or the Water & Sewer Superintendent at 279-6940 X 2101.

Darcy J. Chaney
Building Official

Jerry Regans
