Requesting permission from the City of Niceville Department of Public Works hereinafter called the Department to construct, operate, and maintain

- 1. Is proposed work within corporate limits for the City of Niceville?
2. Applicant declares that prior to filing this application he has ascertained the location of all existing utilities...
3. The office of the Director of Public Works shall be notified twenty-four (24) hours prior to starting work...
4. All work, materials, and equipment shall be subject to inspection...
5. All Department property shall be restored to its original condition...
6. Plans of this installation shall conform to the Department's State and Local Guidelines...
7. This permittee shall commence actual construction in good faith within 30 days...
8. The construction and maintenance of such utility shall not interfere...
9. It is expressly stipulated that this permit is a license for permissive use only...
10. Whenever necessary for the construction, repair, improvement, maintenance...
11. It is agreed that in the event of relocation of said utility facilities...

12. Special Conditions: ALL utilities shall maintain a minimum separation of 26" from all water and sewer service lines and service connections.

13. Special Instructions: The separation requirements must be adhered to as stated in line #12

14. It is understood and agreed that the rights and privileges herein set out are granted only to the extent of the City's right, title and interest in the land to be entered upon and used by the permittee...

- 15. During construction, all safety regulations the Department, State and Local, shall be observed and the holder must take measures, including placing and display of safety devices, that may be necessary in order to safely conduct the public through the project area in accordance with the Federal Manual on Uniform Traffic Control Devices (MUTCD), State and Local, as amended, and the Florida Department of Transportation latest Roadway and Traffic Design Standards.
- 16. In case of noncompliance with the Department's requirements in effect as of the approved date of this permit, this permit is void and the facility will have to be brought into compliance or removed from the R/W at no cost to the City of Niceville.

Hereby certify that the information set forth above is a true and correct description of the proposed sites and that any changes not approved by the Director of Public Works will render the Utility Permit issued on this application null and void, a copy of this permit must be kept on job site.
