

The Niceville Relay For Life is under way and the City of Niceville has a team! The theme for this year's Relay event is "Challenge Accepted...Game On! We are on board to finish the fight!"

Cancer has touched all of our lives either through family, friends and/or co-workers. If you want to "Accept the Challenge..." with our team you can:

1. Go to [relayforlife.org](http://relayforlife.org) and click either **JOIN** or **DONATE** to **City of Niceville** team.
2. Ask five friends for \$20.00 to reach a donation goal of \$100.00.
3. Post a Challenge to your face book friends to accept your 24 hour challenge to raise \$100.00 online before midnight of a designated day.
4. Ask your department to *Accept the Challenge* and be the department to raise the most money for our team to receive **4 hours off work with pay**.
5. Car washes, craft sales, luncheons, donations in lieu of birthday gifts are just some easy ideas to get you started!
6. You can purchase a Luminaria bag for donation to celebrate and remember your loved ones that fought the fight. Contact Danielle Holley for more information.

\*\*If you need help to **join** our team, please call Kim Castriotta at the Library, extension 1514.

The City of Niceville has been touched by cancer and it is our goal to Finish the Fight! We can't do it without you. If you have any questions please contact Danielle Holley or Lois Sprague.
