### **Terms of Agreement**

In consideration of this service, to the extent permitted by law, I hereby release and hold harmless the Company for all claims of liability, whether or not contributed to by negligence of the Company, with respect to the debit of my account. In no event will the Company be liable for the acts or omissions of others, including the bank and clearing house which receive and transmit the debit instructions.

### **Authorization Agreement for Electric Funds Transfer (Debits)**

I hereby authorize the City of Niceville, as my agent, to automatically debit my bank account for payment of all utility bills issued by the City. If for some reason the City cannot automatically debit my account, I authorize the City to issue, sign and present a paper-draft on my bank account for payment of utility bills rendered by the City. The City will advise, by notice with my bill, of the date my account will be debited. I understand I must notify the City promptly upon receipt of my utility bill of any dispute regarding the amount of the bill. I understand the City may impose a processing fee if the draft is not paid by my bank for reasons such as insufficient or my account being closed, and that I remain personally liable for the amount of my bill in such event. This authorization will be in effect until either party gives written notice to the other of termination. I understand my notice must be received by the City in time for it to have a reasonable opportunity to act.
