Old Business:

Tutoring Project - Update

Christina Marcocchini presented a draft document for review by the council. She stated that it's just a rough draft for now without dates and times. Students could sign up to be tutors, or sign up for help by listing the subjects they need help with to be tutored. We were thinking that when finalized they could be located in the remedial and AP classes. I talked to Mrs. Chambers about putting it in the Soar announcements and possibly sending an e-mail to parents and she felt that shouldn't be a problem, suggesting it be coordinated with Mr Gore. Mrs Chambers mentioned the success with after school programs such as Key Club. Anna-Marie stated that contact has been made with Ruckle School about putting up flyers. Councilman Nodjomian stated he liked it! Great start!! He liked the simplicity of the form, and what you are trying to relay. He asked that you come up with a projected start date. Everyone agreed with on/or about the first week in March. Councilman Nodjomian stated you already have the required space coordinated with Ms Bishop in the Library which is great. Discussion followed.

Other Business:

Presidential Election:

Councilman Nodjomian stated that March 15th is the Florida Primary. The purpose of this project is to inform the youth about the importance of voting. Once we go through the debating process

and narrow the candidates down we will be in a position to better prepared and know what their election platform is based on, etc. It was decided to discuss the Membership Drive, and the Mock Trial project at a later date since key members were not present.

There being no further business the meeting adjourned at 6:45 PM
