He stated that she came up with a total of about 17 to choose from. We met in early February and came with approximately 15 possible logos. He stated that we have narrowed the total down to about 6 choices and I have them here tonight for our review to hopefully make a selection. Councilman Nodjomian stated that this is such a great idea very impressive. The council reviewed each proposed sample and discussed the likes and dislikes among each other. Everyone agreed with the circle example that sort of represents the City Seal except for the color scheme. It was further agreed to use the blue colored background and get rid of the eagle. Everyone agreed to take back the top few and make a decision by the next meeting.
