

Niceville Public Library Youth Services Assistant (Part-Time Position)

The Niceville Public Library is looking for someone to join our Youth Services team to assist with early literacy programming. This is a part-time position consisting of 20-25 hours per week, including every other Saturday. Knowledge of children's literature, working with children, and experience implementing children's programs are all a plus. A high school diploma, good communication skills and customer service skills are required.

The Niceville Public Library Youth Services department is committed to serving children and young adults, as well as their families and caregivers. Youth Services contributes to the growth and development of children of all ages by:

- Offering activities, programs, and story time classes in the library, virtually, or at off-site locations that will educate children, enrich their lives and encourage use of the library.
- Cooperating with schools, childcare centers and community organizations that serve children to provide a network of services in the community.
- Treating children with patience and respect in an environment that is welcoming.
